Dear Rabbi Kalmanowitz:

This is to acknowledge receipt of your letter of 4 December, containing further information regarding Karl Richmann. As I have previously informed you, we are always appreciative of receiving this information.

As you were informed by members of my staff when you called upon us in October, CIA is not in a position to apprehend Richmann or any other foreign citizen residing in a sovereign state, nor under such circumstances is it within our jurisdiction to bring Richmann to justice as you have suggested. While I understand your deep interest in this case, and the high motives which inspire such interest, I am sure you will understand the legal problems which make such intervention impossible for this Agency.

With kindest regards.

Sincerely,

Allen W. Dulles  
Director
